SANDIA RESIDENTIAL ASSOCIATION THANKS YOU - SANDIA HEIGHTS RESIDENTS!!

We all deserve a hearty "Well done!" for the support mustered in opposing the granting of a liquor license on Tramway Lane to County Line of Albuquerque.

The location for this license and establishment was denied by Mr. Tito Chavez, the County Hearing Officer, after a formal hearing on February 4, 1983, which 130 of us, braving a driving snow storm to get there, attended. We knew we had the facts and figures to support our contention that the establishment of this bar/restaurant on Tramway Lane would be detrimental to the safety and health of the nearby residents. Our attorney, Mr. McCullough, did a superb job in organizing and presenting our case.

Some of us homeowners may not realize that we are all voting members of the Sandia Heights Homeowners Association, although not voluntary dues-paying members. The Association represents all residents. A strong and active neighborhood association can have a tremendous positive impact on our environment.

Therefore, please plan to attend on this Saturday, February 26, 1983 at 10:30 A.M., the meeting of the Sandia Heights Homeowners Association at the Firehouse; and, have something to say about your future in Sandia Heights.

Sincerely,  
*Randall L. Williams*
